

BROOKHAVEN NATIONAL LABORATORY
STAFF SERVICES DIVISION - HOUSING OFFICE
On-Site Furnishings List
Residences/Dormitory

This is to give visitors to BNL a general idea of what is and is not to be found in the on site residences. Small electrical appliances such as irons and coffee pots are not supplied. No provision can be made for appliances, additional furniture or electrical equipment. All rooms are air conditioned and fully heated. Electric table fans are available on request. Telephones are available in all rooms. All rooms are for working visitors to the Laboratory. Please respect the rights of others by keeping noise levels down. Some non-smoking rooms are available upon request. There is no food or drug store on-site. The Cafeteria and Brookhaven Center Club are available for food services.

******Please note that pets of any kind are NOT PERMITTED******

RESIDENCES
SINGLE ROOMS

- Furnished with single twin bed, dresser, desk, desk chair, lamps, club chair, night table, closet, SMALL refrigerator, clock.
- Also provided are bed linens, towels, blanket, pillow and bedspread.
- Maid service is provided on Monday, Wednesday & Friday, except on holidays.

BATHROOM One or two common bathrooms to each floor.

KITCHEN There are one or two kitchens in each building. Each kitchen contains a stove (no ovens), microwave and a toaster. There is a small food storage compartment assigned to each room. No dishes or cooking utensils are supplied. **Cooked or uncooked food may not be kept in any room unless stored in the refrigerator. Cooking in rooms is not permitted.** Kitchens must be kept in a sanitary condition. Residents are required to clean up after themselves.

LOUNGE One in each building containing: Sofas, desks, chairs, lamps, end-tables, and a television set.

TELEPHONES Each room has its own telephone and can receive off-site calls and requires a calling card to make off-site calls. The BERA office, Bldg. 488, sells telephone calling cards. All dormitory rooms have been equipped with Ethernet based Internet service. In order to take advantage of this service all computers are required to have an Ethernet network Interface card (NIC) and TCP/IP software, TCP/IP software is bundled as part of Windows, MAC OS, LINUX and most current operating systems. For technical assistance, please contact the ITD helpdesk at ext. 5522. A public pay phone is provided in each building.

LAUNDRY BUILDING On Yale Road in Apartment Area (Bldg. 363). Provides coin-operated washing and drying machines. A change machine is provided.
